PETRA, one of the most popular and influential bands in Christian music history, who retired from touring in 2005, is celebrating their 50th Anniversary this year. It is rare for any artist to last 50 years, but for a band who has released 24 albums over their illustrious career, sold over 10 million records, garnered four Grammys, ten Doves, an induction into the Gospel Music Hall of Fame... it's been a wild ride! Thank you so much for joining us to celebrate 50 years of preaching the gospel through the power of christian rock music!

IMPORTANT INFORMATION PLEASE READ

1) Thank you so much for celebrating this historic event with us! No matter how hard everyone involved worked, none of it could have happened without the friends and fans that bought tickets and came out to show their support for this amazing band of brothers that have been declaring the Lord's message for half a century and touching hundreds of millions of lives!

2) If you bought a ticket online, your email address has been shared with Petra, Devin Williams and NOT ASHAMED. You can likely expect a personal email from them expressing their gratitude for being a part of this concert. If you do not wish to remain on their email subscriber lists, there will be an easy unsubscribe link at the bottom of each email.

3) Everyone was blessed and entertained by the testimonies and anniversary shout outs that have been sent on social media and played at the concert between sets. We are continuing to collect these for future concerts and projects (stay tuned and watch your email and social media information on an upcoming 50th anniversary online event / dvd!) If you have a cool Petra story, or would like to give a shout out, you can email a selfie style video to petra@songangel.com (if over 20MB send via dropbox, we can provide an upload link if needed)

4) Finally, many of you saw the donation buckets for the Nigeria Church Project (and many of you gave! Thank you so much) NOT ASHAMED, Song Angel Promotions and their fans have been building and supporting a church in the jungle of Nigeria. The church is pastored by the father of the young man that produces our lyric videos (the ones you saw on the screen behind us while we were playing) We have helped build this church from 4 walls with no roof to a place where the people of the village can come worship and learn about our Lord and Savior, Jesus! If you did not have the opportunity to donate (or would like to donate more) you would be joining us in an awesome work for the Lord and we know you will be blessed for it!
